REPORTING

1. The Discharger shall arrange the data in tabular form so that the specified information is readily discernible. The data should be summarized in such a manner as to clearly illustrate whether the treatment system is operating in compliance with the discharge limitations.

2. The results of any analysis performed, more frequently than required using test procedures and locations specified in this Monitoring and Reporting Program shall be reported to the Regional Water Board.
3. Records of monitoring information shall include:
 - a. The date, exact place, and time of sampling or measurements;
 - b. The individual(s) who performed the sampling or measurements;
 - c. The date(s) analyses were performed;
 - d. The individual(s) who performed the analyses;
 - e. The analytical techniques or methods used; and
 - f. The results of such analyses.
4. Monitoring reports shall be certified under penalty of perjury to be true and correct and shall contain the required information at the frequency designated in this monitoring report. Each report shall contain the following statement:

"I declare under the penalty of law that I personally examined and am familiar with the information submitted in this document, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations."
5. A duly authorized representative of the Discharger may sign the documents if:
 - a. The authorization is made in writing by the person described above; and
 - b. The authorization specified an individual or person having the responsibility for the overall operation; and
 - c. The written authorization is submitted to the Regional Water Board's Executive Officer.
6. Monthly reports shall be submitted to the Regional Water Board by the 15th day of the Month following the reporting period.
